**AFFIRMATION LETTER ON THE STATUS
OF REACH AFRICA FOUNDATION**

I am directed to inform you that the organisation, Reach Africa Foundation of the Netherlands, is a credible outfit geared towards alleviating the plight of the underprivileged in Africa. Its declared goals and objectives are, prima facie, laudable. From the reports reaching this Mission, it is evident that the organisation is quite determined and progressive in the pursuit of its agenda to unite all Africans and African descendants and supporters of Africans, and to engender an atmosphere for the mobilisation and empowerment of the disadvantaged on the continent.

2. The Embassy therefore has no hesitation in recommending Reach Africa Foundation to sponsors and supporters of its declared vision.

3. Please accept the assurances of my highest regards.
